

"Building the future together"

EFRS Symposium 2025 – Call for Abstracts

The European Federation of Radiographer Societies (EFRS) invites the submission of abstracts for **oral presentations** and **poster presentations** for the upcoming **EFRS Symposium**, to be held in **Rome on 14 November 2025**.

We welcome contributions from all areas of radiography, including but not limited to **medical imaging, radiotherapy, nuclear medicine, ultrasound, education, research, leadership, innovation, and interprofessional collaboration**. Abstracts should reflect ongoing work, completed projects, or novel approaches that contribute to the advancement of the radiography profession.

Eligibility

In accordance with the EFRS internal rules, **abstract applicants must be associate members of the EFRS**.

- **Individual members of EFRS full member societies are automatically considered associate members.**
- A **proof of membership** (e.g., confirmation from your national society) must be submitted along with your abstract.
- A full list of EFRS full member societies can be found at: www.efrs.eu/members

Submission Guidelines

- Abstracts must be submitted in **English**.
- The maximum length is **280 words**, excluding title and author details.
- Abstracts can be submitted for either an **oral presentation** or a **poster presentation**.
- The **EFRS Summit Scientific Subcommittee** will review all submissions. While applicants may indicate their preferred format, the subcommittee may suggest or assign a different format based on the review.
- Abstract submission is available [here](#).

Important Dates

- **Call opens:** June 13th, 2025
- **Deadline for submission:** July 13th, 2025
- **Notification of acceptance:** September 15th, 2025

We look forward to receiving your submissions and to showcasing the diversity and excellence of radiography across Europe and beyond.
